Dear Parent/Carer

I am very pleased to welcome you to The Boswells School, especially those families who will be joining the school for the first time. Of course, these are not the circumstances under which any of us would have hoped to begin the induction process. I hope you and your families have managed to keep well and stay safe during these unprecedented times.

The school continues to be extremely popular due to our excellent examination results and our wide range of extra-curricular activities. Once again, demand has been incredibly high and we have not been able to offer a place to everyone who applied to us this year.

Due to the current circumstances, our induction process will look very different this year. Each week, we will be sending out a regular communication to you with key information about the school that will make your child's transition as smooth as possible.

It is a shame for all of us that we will not be able to meet you and your child face to face before September. These are government guidelines intended to keep us all safe. That said, we have had to adapt quickly to the idea of doing things remotely and over the course of the next 6 weeks, as well as this weekly communication, we will be giving you access to online videos that will enable key members of staff to introduce themselves as well as a virtual tour that will support your child to acclimatise to their future surroundings.

Over the next six weeks, we hope to cover everything you need to know in order to prepare for September. Of course, we don't know what this will look like yet, but it is important to prepare as we would normally expect to.

We are very excited about your child joining us in September and we look forward to working with you to ensure they make a fantastic start here at Boswells.

School Uniform

Our uniform supplier Schoolwear Plus are open to take orders for school uniform and attached is a price list together with details of how the uniform can be purchased. In addition to the click and collect service they are offering, **the school intends to provide a weekly collection service** to support parents at this challenging time.

Please note that this will only be to collect uniform and further details about the specific arrangements, dates and times will be made in due course.

If you have any queries for the school regarding uniform, please email the school's admin account admin@boswells-school.com for the attention of Mrs Lucas.

Contacting Us

Just a reminder that the best way to contact us whilst the school is closed is via the school email account (admin@boswells-school.com). You should expect to receive a response within 2 school days, but if your queries are urgent, we are trying to deal with them as soon as we can. Please do not leave messages on the school's voicemail as these are only being picked up on a weekly basis.

Yours sincerely,

Stephen Mansell
Headteacher
