

VLB/asl

November 2021

Dear Parent /Carer

We recommend that students taking a GCSE in French, German or Spanish purchase a GCSE revision workbook to support their preparation for their exams. The books practice listening and reading skills, as well as having exam style tasks. They are used in conjunction with free links to online listening tracks and answers are provided for self-marking. The school is able to purchase these at a discounted price of £2.90 each.

We hope that all students will purchase the relevant workbook that they require. *Please check whether year 11 pupils already purchased the book last year, so that you do not order the same thing twice by mistake.*

We will do a bulk order through school because of the special discount available to us this year. Please make your payment through ParentPay by no later than **Monday 22nd November 2021.**

If you need support in buying this resource, please contact the school.

Yours faithfully

Mrs V Lamb  
Head of MFL

Mr S Mansell  
Headteacher
