We have been given an exciting opportunity for 45 students to attend a special educational performance of the musical 'Hamilton' at The Victoria Palace Theatre, London on **Tuesday 16<sup>th</sup> November 2021**. The day will also include a Q&A session with some of the company after the performance. The opportunity is currently being offered to Year 10 BTEC Performing Arts students that are studying Hamilton as part of their course and to Year 9 & 10 students that have committed to the Performing Arts faculty and shown a strong interest in the Performing and Creative Arts.

Students will be expected to be in lessons for Period 1 and will then meet at the **New Dance Studio (DS2)** at **10:00am**, from where they will travel by coach to London. Your child needs to bring either a packed lunch and snacks or money to purchase some fast food/snacks at Victoria Station and/or the theatre. After the performance and Q&A session we will make our return journey and expect to arrive back at school at approximately 7pm – where you will collect your child from. We will update your child on our arrival time once we leave London.

In the event that the trip is oversubscribed (other than the Year 10 BTEC Musical Theatre students who are studying Hamilton) names will be drawn randomly in line with school policy. If you would like your child to take part in the above trip, which costs **£10.00** Please make payment by secure on-line ParentPay using your debit or credit card, your ParentPay user name and password.

Mr Butler will have a mobile phone with him for the duration of the trip and the number is. 07510142311.

Yours faithfully
