Dear Parents/Carers,

RE: St Omer France Music Tour - July 2020

As you may be aware, the government advises against any overseas or domestic trips for children under 18 organised by educational settings; and on 5 April, the Foreign and Commonwealth Office (FCO) advised British nationals against all non-essential international travel for an indefinite period.

Due to the ongoing uncertainty, we are regrettably cancelling the upcoming Music Tour trip to St Omer France in July. This is a huge shame for the students who would have been so looking forward to the trip, but I am sure you can appreciate we need to follow the guidance from the government for the health and safety of the students and staff.

You will receive a full refund, via ParentPay, in due course.

Yours sincerely,

Stephen Mansell
Headteacher
