

WHAT WE EXPECT FROM YOU

INDEPENDENCE

- Make effective use of Supervised Study periods, these are not free periods
- If you do miss a lesson, email your teacher to let them know. It's **YOUR** responsibility to catch up before the next lesson
- Take responsibility for your own learning outside the classroom
- Students are expected to become involved with enrichment. For example, mentoring lower school students / helping out at after school clubs / charity work

BEING ORGANISED

- Make sure you have the correct books, folders and equipment for each lesson
- Be punctual
- Know when your work has to be handed in
- Keep to deadlines
- Mobile phones must not be used during lessons
