

The Boswells School

Weekly Bulletin

Friday 11th November 2022

Dear Parent/Carer,

I hope you've had a good week.

On Wednesday night, we held our Sixth Form Open Evening. It was an extremely well attended event, recognition of the outstanding work taking place in our Sixth Form. As well as a huge number of Boswells students, there were also many from other schools in attendance. If you attended, we very much hope you found the evening useful and that all your questions were answered. A copy of the Sixth Form Presentation from the evening can be found [here](#).

We are very extremely proud of our students' achievements. In 2022, our A-level results were the best in Essex excluding the grammar schools. A number of parents commented to me on how positive the evening had been, which is testament to not only our excellent staff, but also our fantastic students who were highly professional talking to prospective students and parents about their experiences in the subjects they study. A particular well done goes to Marloes H and Joel M, who spoke passionately of their experiences in the Sixth Form in front of two large audiences in the Theatre. Further information about what our Sixth Form offers can be found on the school website by clicking [here](#).

On Friday, we marked Remembrance with all of our staff and students going outside for a two-minute silence. This is always a poignant event, and as always, our students were a credit to the school. A special mention must go to Anna in Year 13 who faultlessly played 'The Last Post' once again this year. It has become tradition for a member of the White household to play 'The Last Post' for 16 years now, with Anna following in the footsteps of her older siblings. A huge thank you to all of the White family for their contribution to what is such an important event each year.

This term, all of our year groups receive their first interim report. The reports will give you a clear indication whether your child is on course to achieve (or hopefully exceed) what is expected of them. The information is also crucial to us, as we analyse the data to inform our next steps and identify students with whom we need to intervene. We always expect our students to aspire for excellence by trying their best and this will be reflected in the 'Attitude to Learning' grades, which will be one of 'Excellent', 'Committed', 'Passive' and 'Cause for Concern' for each subject. We want every student to be actively engaged in each subject, so the former two gradings are what every student should be aiming for.

As always, if you have any concerns about specific subjects on your child's report, please do contact the subject teacher or Head of Subject and if it is a general concern, your child's Head of Year. All of the email addresses are accessible on the school's website.

The first Parents' Evening of the academic year is for Year 11 and takes place on Thursday 8th December. Information will be going out to Year 11 parents in due course. A reminder all Parents' Evenings this year will continue to take place remotely.

Finally, just a reminder Friday 25th November is a staff training day and the school will be closed for students.

Enjoy your weekend!

As a school we aim to respond to communication from parents within 48 hours. To ensure you get the best support please ensure you direct your communication to the most relevant member of staff. Subject queries should in the first instance go to the subject teacher and then the Head of Department of Faculty. Pastoral concerns should go via tutors and then the Head of year. Online Safety Awareness Session for Parents, Carers and Guardians in Chelmsford

The parents' workshops will look at the online world and how our young people are using it.

How they are navigating around restrictions and using the internet without the parents' knowledge.

The sessions are very up to date to reflect the changing risks faced by our children. Taking into consideration the increased online activity by our young people and how they have adapted to the online world.

This will include their favourite apps and games as well as looking at the dangers they face and how they can be groomed in games which ranges from receiving gifts for the younger player and being groomed on servers for the older ones.

The session will explore how all our young people are being influenced online and forming ideologies and views that might be diametric to parents, which can also give them a skewed view of the world. It will also cover how influencers work, which can lead our children to conduct dangerous challenges.

As well as discussing solutions that parents can adopt to help keep their children safe which again ranges from settings on apps, to safe use of games and advice on how parents can approach the online arena.

Date: Tuesday 13th December

Time: 8:00pm to 9:30pm

Platform: Online via Zoom (link to be shared once you have booked your space)
