

MANAGING YOUR NOTIFICATIONS ON SACHEL:ONE (SHOWMYHOMEWORK)

As you have probably noticed, Satchel:One sends through notifications of homeworks and deadlines at very odd times. This can impact our mental health and make us worry, despite the fact that deadlines might be a long way off. Unfortunately, it is not possible to only set notifications for certain times through Satchel:One, but it is possible to change your notifications.

Web Browser (Computer/Laptop)

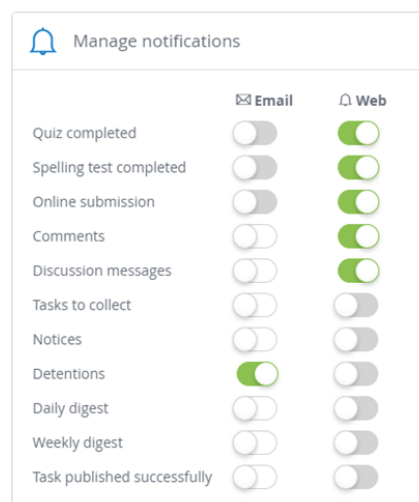

Step 1:

Once you have logged into your account, click 'Account Settings' in the top left corner.

Step 2:

Scroll down to 'Manage Notifications' at the bottom of your settings. Slide each button across to show whether you would like notifications, or not, for each option.

App (Mobile Phone/tablet)

Step 1:

Tap the three lines at the top left on the app to open the main menu.

Step 2:

Tap 'Settings' to access your notifications.

Step 3:

Slide each button across to show whether you would like notifications, or not, for each option.
