Message from the Deputy Headteacher.....

Dear Students

This week is the final week you remain on the school roll. From Friday you officially leave The Boswells School / College. May we take this opportunity to wish you the very best and congratulate you for all you have done to remain positive, enthusiastic and engaged with the school in what has been a very challenging time. We are fully aware of the toll which the impact of COVID has had on everyone in relation to their families, friendships, social life and school life. How you have coped with remote learning, adapted courses and then formal assessments should be highly commended.

Although you officially leave us please remember we are here to support you going forward. This may be with offering advice when you receive your exam results, helping with your mental or physical well-being or offering advice with your future career. We are always happy to write references for you but out of courtesy do please ensure that you contact the member of staff to seek their permission before you add their name to an application.

Remember if you wish to come in to feed back to any of the Leadership team about how we can improve school experiences for other students then do please contact us. We look forward to seeing many of you at the Year 11 Prom or on results day. Enjoy the freedom and opportunities the summer break offers you. Best wishes to you and your families and take care,

Cheryl Noble
Deputy Headteacher

Diversity Week

This week our school community are celebrating pride, we have put up the rainbow bunting and have a variety of activities running; full details and photos of the week can be found on our Facebook page, the main school twitter page and the @BoswellsSAGA group on twitter. We are also hosting a pride non uniform day on Friday 25th.

If you would like to learn more, please click the following link to access resources being shared through the week during tutor time and PD.

Lateral Flow Test

Please continue to keep testing yourself regularly using Lateral Flow Tests. You are welcome to drop in to the main reception to collect boxes if required.

COVID vaccinations

Remember you are now entitled to have a COVID vaccination if you are aged over 18. The link below may be of use to you about how to book:

<https://www.essex.gov.uk/covid-19-vaccine>

Message from Neighbourhood Watch

Phone calls from fraudsters pretending to be London police officers are being received. The call suggests that one of your relatives is in custody and that the relative has your bank cards. The caller wants your full name and bank details. The fraudster also says a police person will call on you, again to gain your full address and bank details, they don't know where you live. Don't get sucked in just **Hang Up** and remember to always shred or tear up any correspondence with your name and address on it before disposal

Volunteering

You may wish to volunteer for a local community project if you have free time in the coming weeks. The website below may stimulate some ideas about what opportunities are on offer.

<https://chelmsfordcvs.org.uk/volunteer/>

Support for your emotional wellbeing

There is a great deal of information on The Boswells School website with links to support services you may benefit from accessing.
