

# Assessment Record for determining teacher assessed grades in Summer 2021

## The Boswells School

French GCSE **8658**

### **Assessment Evidence Form**

**Completed by the Head of Department for each subject, for each level (e.g. GCSE Maths, AS Maths and A Level Maths would require separate grids)**

Please detail the assessments used for the subject cohort (i.e. assessment resource, mock examination, controlled assessment, homework etc.). The Assessment Evidence Form should include the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control under which assessments were completed (i.e. exam-type conditions would provide a high degree of control), and any other evidence that explains the determination of the final teacher assessed grades.

*Note: Ideally, the evidence used will be consistent across the class or cohort but that may not always be the case if a student has missed some teaching, or one or more assessments, for valid reasons.*

The document indicates which assessment objectives were covered in each piece of assessment evidence (Y/N), and whether the assessment was conducted with a High (H), Medium (M) or Limited (L) level of control.

Evidence Source	Description	GCSE Paper 1 AO1	GCSE Paper 2 AO2	GCSE Paper 3 AO3	GCSE Paper 4 AO4	Level of Control H, M, L

<p><b>If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:-</b></p> <p>AO2 – Speaking is assessed by endorsement this year and therefore does not contribute to the overall TAG. Pupils will be given Pass, Merit, Distinction grades for this assessment objective.</p> <p><b>Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:-</b></p> <p>The selection of these assessments ensures that we have a wide range of evidence to support TAG judgements across what students would have been examined on had examinations gone ahead in the summer of 2021. All assessments were undertaken in controlled conditions on school site.</p>
