

Assessment Record for determining teacher assessed grades in Summer 2021

The Boswells School

Level 3 Cambridge Technical in Sport and Physical Education

Assessment Evidence Form

Completed by the Head of Department for each subject, for each level (e.g. GCSE Maths, AS Maths and A Level Maths would require separate grids)

Please detail the assessments used for the subject cohort (i.e. assessment resource, mock examination, controlled assessment, homework etc.). The Assessment Evidence Form should include the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control under which assessments were completed (i.e. exam-type conditions would provide a high degree of control), and any other evidence that explains the determination of the final teacher assessed grades.

Note: Ideally, the evidence used will be consistent across the class or cohort but that may not always be the case if a student has missed some teaching, or one or more assessments, for valid reasons.

The document indicates which assessment objectives were covered in each piece of assessment evidence (Y/N), and whether the assessment was conducted with a High (H), Medium (M) or Limited (L) level of control.

<p>If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:- N/A</p>		
<p>Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:- The selection of units is in line with guidance from the exam board and offers a range of assessment opportunities across the breadth of the course. The numbers indicate the credits allocated to each unit. This allows our TAG to closely mirror the normal manner in which grades are awarded.</p>
